PREDICT YOUR DISTANCE CONTEST

NO cost! NO risk! NO Brainer!

It's Simple:

- As each foursome approaches the tee (par 4 or par 5), your volunteer asks for a \$5/player donation to enter the contest for a FREE LOB WEDGE!
- Players guess how far they will hit their drives...and the person who hits the closest IN EACH FOURSOME (as measured by the launch monitor) wins the club!
- Every player has a chance...it's not how far you hit it, just how close you are to your own guess!
- AND EACH PLAYER THAT ENTERS SEES A VIDEO OF THEIR SWING!

It's a FUNdraiser:

- The charity keeps \$3 out of every \$5 entry fee!
- Golfers LOVE to see how far they hit their drives!
